PRELIMINARY AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Prior to examination, please amend the above-referenced application as follows:

In the Sequence Listing:

Applicants propose and request approval of the amendment to the first sheet of sequence listings as marked in red on the attached copy.

REMARKS

An error was discovered in the first page of the sequence listing which accompanied the originally filed application. Notably, an "a" is missing at position 511 on the first sequence

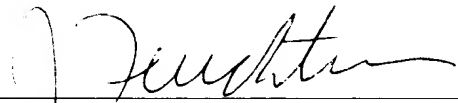

- 1 -

listing. The listing is correctly reflected in FIG. 1 which accompanied the application as filed. The error was typographical in nature, and was without deceptive intent. A marked up copy of the sequence listing and a substitute sheet incorporating the correction are attached to this paper.

The Examiner should contact the undersigned attorney if an interview would expedite prosecution.

Respectfully submitted,

PIPER MARBURY RUDNICK & WOLFE
